Food Pantry Transfer Form

Emergency Food Boxes are available through FOOD for Lane County’s Network- called FoodNet- to all eligible Lane County residents. Your regular street address determines which pantry you should access your food box from. For a variety of reasons, you may not be able to use your designated pantry. In this case, you can sometimes switch to a different pantry that might be better able to meet your needs.

By signing this form, I **acknowledge that I wish to switch pantries and that I am aware of the policy that I may not access food from more than one food pantry. I may only visit a food pantry eighteen (18) times per year and I am aware this number does not increase or reset when I transfer to a new pantry. I give permission to the food pantries in FoodNet to share my personal contact information listed below.**

I have read and understand the above statement:
