Find your local pantry: Find the pantry closest to your home using the grid above, or by calling FOOD for Lane County at (541) 343-2822

Make sure you income qualify: To access an emergency food pantry you need to make 185% or less than the federal poverty level using the chart at the right

Bring a piece of mail if you have an address: In Lane County, each pantry serves people who live in a certain area. We ask that you bring a piece of mail with you to show that you live in the area. **If you do not have an address, let the pantry know and you will not be turned away.** In the Eugene area, Catholic Community Services serves Lane County's homeless community.

You will not need to bring in any identification or paperwork to access food from a Lane County pantry. Some of our partner agencies provide other services and may require other documentation for those services, but never to receive emergency food.

Bring boxes/bags: You will be given a 3-5 day supply of food for your household (12-20 lbs.person). It's helpful if you have some means to transport it.

Be prepared to wait: Sometimes there is great need and lines can be long. Get to know your home pantry system and personnel to best understand how each pantry works

You can access a pantry once per month or up to 16 times a year.

If you want to, get involved: Many pantries would love your help. Ask personnel if they are looking for volunteers--it's a fun way to give back!
