FEEL THE LOVE

Thank you for helping us move over $60,000 Love Your Neighbor month in February. Your generous gifts from Dutch Lady, the Grilled Cheese Experience, the Governor’s State Employees Food Drive, SCANW, a “buys” gift card and food and fund drive dollars helped us rock that goal. We ask you to find your neighbor, and that’s just the start. You’re welcome.

Local youth stepped up to the challenge, too. A first-time food drive brought in 5,430 pounds of food in February. Seven schools competed with each other to raise the most pounds per person. Thank you and congratulations to students at LCC High School, Academy of Arts & Sciences, PeaceHealth’s Moses Hill School, Springfield High School, and Sheldon High School for their generous efforts.

FFLC is proud to partner with the Eugene School District to sponsor kids’ meals during school breaks. We also appreciate the Eugene Science Fair, which thanks to the amazing generosity and spirit of the community, gifted us with the opportunity to serve healthy lunches at the science fair for all attendees. We are always looking to partner in new ways to support our community. Our partners are amazing, and we are grateful for your ongoing support.

Thank you to everyone who generously supported the 2018 Governor’s State Employees Food Drive in February. The statewide, month long drive collects food and funds for families experiencing hunger throughout Oregon. Locally, the drive collected 4,485 pounds of food and $1,508. Thank you to Governor Kate Brown, who pledged an additional $10,000 over the coming year. We are so grateful for your generosity and your commitment.
