How to Visit a Pantry

All pantries are accessible for all Lane County residents! You do not need to visit the pantry closest to your home if the operating days/hours of a different pantry are better for you.

Make sure you income qualify: To visit a pantry your household income must be at or below 300% of the federal poverty level. Refer to the chart at the left.

You will not need to show any identification or documentation to access food from a Lane County pantry. Some of our partner agencies provide other services and may require other documentation for those services, but never to receive food.

Bring boxes/bags: Please make sure to bring enough bags or boxes to take your food with you. You will be able to receive up to a 3-5 day supply of food for your household.

You may have to wait: Sometimes lines can be long.

Around major holidays, call ahead of time to confirm hours.

You are welcome to get involved: Many pantries would love your help. Ask personnel if they are looking for volunteers - it's a great way to give back!
