TOGETHER WE ACCOMPLISH MORE

When you support FFLC, you support a comprehensive network of direct providers working for the most vulnerable in our community. Your support enables us to provide help and hope to people in need. Of the million pounds of food we distribute annually is distributed by emergency food pantries. Many of these are already run by volunteers.

Lettuce Give to READERS

It’s been a tough year. Many lost businesses and incomes because of COVID-19. Others lost homes and property to wildfires. And all of us lost some of our “normal” lives and routines turned upside down.

Thank you for being part of this important work!
